

Payroll Outsourcing Agreement

Monthly payroll processing and statutory filings

1. The firm shall process the client's monthly payroll, compute statutory deductions, and prepare provident fund, employees state insurance and professional tax returns for filing.
2. The client shall provide attendance, joiner, leaver and revision inputs by the twentieth day of each month. Late inputs may move the payroll date by the number of days of delay.
3. Employee data is processed only for payroll purposes, is retained for the period required by law, and is not transferred outside India without the client's written instruction.
4. Either party may terminate on ninety days notice, and the firm shall hand over payroll records in a usable format at no further charge.
