

Virtual CFO Services Agreement

Monthly retainer — finance function support

1. The firm shall provide monthly management reporting, cash flow forecasting, statutory compliance oversight and board reporting support for the client's finance function.
2. Services are delivered remotely, with attendance at the client's premises for one working day each month and for board meetings on reasonable notice.
3. The retainer is invoiced monthly in advance and is payable within fifteen days. Work beyond the agreed scope is quoted separately before it begins.
4. The agreement runs for twelve months and renews for successive twelve month terms unless either party gives sixty days notice.
